## About Us

At North Andover School of Dance, we are committed to offering a fun, safe, and welcoming atmosphere for students of all ages to learn and appreciate the art of dance. Our students can explore many dance styles and as their technique develops, we offer our students the opportunity to participate in many performances.

Most importantly, we provide a program where our students learn important life skills such as taking care of one's body, building self-esteem and self-confidence, developing poise, and working as a team.
